Orchid International Sponsors the 2006 Global Automotive Conference

Brentwood, TN – February 3, 2006– Orchid International today announced its participation in and sponsorship of the seventh annual Global Automotive Conference to be held in Lexington, Kentucky in April. CEO Grant Bibby will also speak at the conference, joining other executives, educators and government officials involved in the automotive industry.

“We are pleased to be able to once again sponsor the Global Automotive Conference,” states Bibby. “This is a wonderful setting for everyone involved in the automotive industry to meet, network and discuss issues and best practices that are and will likely continue to impact how we go about conducting business.” Orchid International is once again a Silver Level sponsor of the annual event.

CEO Grant Bibby

The 2006 Global Automotive Conference (GAC) will be held April 11-13 at the Griffin Gate Marriott in Lexington, Kentucky. For more detailed information including a list of conference speakers and sponsors, directions to the event and a daily itinerary of activities, visit the Global Automotive Conference web site at www.gac.ky.net.

Founded in 1988, Orchid International provides world-class metal stamping and assembly and motor lamination stamping and die casting products and services to the automotive, appliance, lawn and garden and numerous other metal stamping-related industries throughout North America. Headquartered in Brentwood, Tennessee, Orchid International operates five manufacturing facilities strategically located in Tennessee, Texas, Wisconsin and Ontario to service customers throughout the United States, Canada and Mexico. For additional information, please contact Chris Daniel, Marketing & Communications Manager, at 615-373-7664, chrisd@orchidinternational.com or visit online at orchidinternational.com.
